

Hello Everyone,

The children have really enjoyed our learning in class this week. We have read lots of different versions of Harry and his dinosaurs, comparing the stories, predicting what might happen next and talking about the different characters in the story. We have imagined we have our own pet dinosaur, drawn a picture of it, given it a name and written about it. We will be painting pictures of it next week. Next week we are going to continue our learning about Harry and his dinosaurs and begin to have a go at writing our own dinosaur story.

We have had an invasion of amazing dinosaurs this week. The children thoroughly enjoyed making their dinosaurs and bringing them to school to show us all. They look amazing and make a fantastic display in our class. Thank you so much for supporting your child in their dinosaur making it is really good to get them in the homework habit ready for having learning logs next year in year one.

In maths this week we have been learning to count in twos. Next week we are going to be introducing money, learning about the different coins and continuing counting in twos by counting up 2p's. We are also going to turn our role play area into a toy dinosaur shop. So the children can practice using money through their independent play.

A big thank you to all the parents who have returned the Dinosaur Park trip money and slip. We are going to need a couple of parent helper's please come and let us know if you are able to come. A couple of children are going to need to travel in the front of the minibuses, please let us know if you are happy for your child to go in the front, they will be sitting on a booster seat and be sat next to a grown up. Please do not send your child with any additional money on the day, as we will not be visiting the gift shop and it might get lost during the course of the day.

Date for your diary, on 17th March we will be having another class assembly, where we will be celebrating all our learning about Dinosaurs. Please come along at 9.10am and join us.

Happy Mother's Day to all you mummies! Hope you have a lovely day, you are very lucky to have such fantastic little people!

Julia Norman – Reception Class Teacher/ Senior Teacher
