### **End of year parent questionnaire**

Your child/children will have brought home a questionnaire yesterday. Please can we ask that you do take the time to complete this as we very much value your thoughts. We do take the time to read all replies and action anything that needs addressing as a whole staff. We are a very reflective staff and we are always striving to provide the best provision for your children. This is very much done in conjunction with yourselves as parents, so we would value your support in this matter. Mrs Stroulger.

### **End of year results in Years R, 1, 2 and 6 – a very positive picture**

We are delighted to say that our provisional data at the end of these year groups is either in-line or above the National Average in Reading, Writing and Maths. This is a true testimony to the absolute dedication the staff have to working so hard to set and reach the high standards and targets set at the beginning of the year. It is only Year 6 that is published Nationally but as a school we also have to publish results in Years R, 1 and 2 to OFSTED and the DfE. We are thrilled by these results, as are the Trustees of the Wensum Trust and the CEO. The other year groups have also attained excellent high standards, but these are not published but are looked at by external bodies too. Again, the Trust are delighted with the attainment (achievement) and progress ALL the children have made. We wanted to share this success with you all and I hope you'll join me in celebrating excellent high standards in school this year. Mrs Stroulger.

### **EYFS Graduation**

It was lovely to see so many parents and carers at the EYFS graduation assembly on Tuesday. The children loved reflecting on the year, singing their favourite songs and getting a special certificate from Mrs Stroulger.

### **Woodland Week**

All classes across the school from Nursery to Year 6 have spent a day in the woods at Holkham doing a range of Woodland learning activities. We are very grateful to Holkham for hosting this for us each year. The children really enjoy spending a whole day in the woods and it is great to welcome Mr Hadley back with us for this week, as he has organised and led the sessions for us.

### **Back to School**

We hope that you have a lovely summer break and we look forward to welcoming the children back to school on Thursday 6<sup>th</sup> September.

### **Next Week**

Year 2 and 3 will be visiting the library on Monday 23<sup>rd</sup> July to launch the Summer Reading challenge. If your child has a library card please make sure that they bring it in so that they can take out their first book. If they do not have a Library card please can you sign them up for one, thanks.

### **Year Six Leavers Assembly**

The Year 6 children will be having their leavers assembly on Tuesday 24<sup>th</sup> July This will be at 2pm. All parents and carers of Year 6 children are very welcome to join us in celebrating their time at the Primary School.
