Year 6

We are very proud of our two netball teams who came first and third in their tournament on Monday. A fantastic effort by all. Looking towards the end of term, the children are putting together their final assembly at the moment and we would like to include photographs from their school days. If you have any at home that we could borrow please could you send them in by Monday 11th July. We don't mind at all if they're slightly embarrassing! The Assembly will take place on Wednesday 20th July at 2:30pm so make a note in your diaries and please do come along if you can.

Year 5

Thank you to the parents who joined us for our Reading Café on Friday. We had a poetry theme and tried out writing limericks. Here is one of our efforts written by Tyler and Jace:

*There was a young man from
Wells,
Who very much liked ringing
bells.
He had a fat cat
Who sat on his hat
Then made quite a few pongy
smells!*

Year 4

This week is an unusual one across the whole school. We have some exciting things happening. We will all be going to Holkham Hall as part of Woodland Week and on Wednesday, Thursday and Friday Year 4, along with the rest of the school, will be with their teacher. In the first half of the week we will be talking about insulators and conductors, as well as thinking what it would be like to have to cook without any electricity.

Remember for Year 4's day at Holkham they are in non-school uniform with long sleeves and long trousers.

Year 3

We have planted lettuce seeds recently and are now practising how to write good instructions for the process. The first little shoots are beginning to appear, which is exciting.

We are looking forward to enjoying a lovely day on Thursday when it is Sports Day and we are hoping to see lots of people there in support. On Friday we are lucky enough to have been invited to go to the High School to watch a performance of 'The Rattler', which should be lots of fun too.

Year 2

We really enjoyed our visit to Hunstanton on Tuesday and found out a lot about seaside resorts. Just a reminder on Monday 11th July from 2.00pm – 3.00pm we will be having our reading café. Please come and join us.

Awards Ceremony

Our annual Awards Ceremony for Year's 1 – 6 will take place on Tuesday 12th July 2016 at 1.30pm at the Alderman Peel High School. You are all cordially invited. We look forward to seeing you all there.

Worthwhile Free Event

Hi,

We are to be holding a free event for families to learn more about the River Stiffkey on Tuesday, 26th July. It is a free event, and will involve a short guided walk, via the off road Pilgrims way in Walsingham to the shrine at Houghton St Giles, followed by river dipping in the Stiffkey. We will be accompanied by an expert from the Norfolk Rivers Trust to help with identification of what we find.

It will be a really fun morning and we would ideally like to encourage local people to attend. It is booking only and spaces are limited, we just would like to see local families get the first opportunity to attend as it will get booked up.

I very much look forward to hearing from you.

Kind regards,

Helen
