Year 6

This week Year 6 had an eggciting Story Café. We read the book 'Man on the moon' which featured aliens, which lead us onto our activity. The activity was making a moon lander which carried a green egg (alien egg). Most eggs cracked when they landed on the floor after being dropped from 2 metres high. Only 2 people managed to not crack the egg. On Tuesday 28th March we got to eggspereience visiting the Chocolate Deli down on the Quay where we tried lots of chocolate and decorated our own Easter eggs with sweets and chocolate (white, milk or dark). We also learnt lots about chocolate and how it's made. It was so eggcellent. We bet you're cracking up at our puns!

Year 5

I would like to start by saying a big thank you to those who joined us for our story café. It was a lovely way to finish our English unit as well as this term. We have begun to look at mathematical vocabulary in depth to get a better understanding of what the words actually mean and how we can use them. I hope you all have a wonderful Easter holidays and enjoy yourself and come back to school refreshed and ready to engage in our next topic.

Year 4

This week we are thinking about different types of music which is popular. We are contrasting the music that is our favourite with some songs by Take That! Once we listened to the songs we discussed why the band might

still be popular so many years after they were first in the charts.

Thank you to all the parents who made it to our Reading Café this week. We were imagining what scenes we would find if we were in the Lion, the Witch and the Wardrobe and had gone through the wardrobe like Lucy.

Year 3

Thank you to those who joined us for our Maths morning and our Story Café. Alongside our story café we had lots of fun making our own papier-mache Easter eggs. We have continued our work on the four operations within maths and are becoming much more confident with these. From everyone in Year 3, we wish you a Happy Easter.

Year 2

We had a very successful Story Café on Monday this week, so many thanks to all those who were able to come. A big thank you as well to the people who baked the gorgeous cake and the lovely biscuits, and to the helpers who magically tidied everything up once we were finished. We are focusing on RE this week, the Easter Story being our topic. We have been looking at all the events in the story and this Thursday we are going to St. Nicholas' Church to hear more about what happened and its meaning for Christians. We have been thinking about the various symbols that represent Easter too: flowers, lambs, chicks, hot cross buns and, of course, eggs.

Time 4 Me continue their fortnightly visit to Holkham Walled Garden where they are given a task to do each time by the head gardener. This week, we split into Team Cameron and Team Price to clear an area of the flower bed of weeds. We all worked very hard and the gardeners were very pleased with our efforts. We had a walk to the look at the deer and had to work together to pull Emma out of the mud!

Glasses

We have two pairs of glasses in the main reception office that have been handed in. One pair is in a black Specsavers case, the other pair are animal print, no case. If you think they may be yours please do call into the office and have a look.
