Year 6

We really enjoyed our Story Cafe on Tuesday. We looked at some of Shaun Tan's sculptural interpretations of Grimm's Fairy Tales. We then used clay to make our own models. We had some fabulous sculptures. Well done and thank you to all those who took part. I hope to put some pictures on the website very soon.

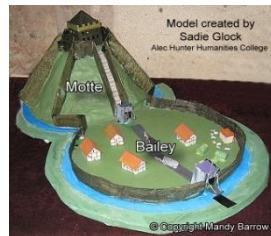

Year 5

It has been four weeks after we mummified our tomatoes and this week we had a look. We noticed lots of changes, but the most obvious was the smell! We have had lots of practise for different events and have been looking at some more thinking keys in between. Excitement is in overload as we get ready for our trip to Whitwell Hall next week and transition has been a huge success.

Year 4

This week we have been researching Motte and Bailey castles. For learning log we are attempting to create models of castles. We hope to put on a display of our fantastic designs before the end of term.

Year 3

Following our work on statistics, this week we have collected our own set of data and presented it using a pictogram. We have also enjoyed playing a variety of word games in English to develop our vocabulary. **Reminder:** Our story café will be held on Thursday 13th July 2-3pm, we hope you can join us.

Book Fair

The book fair was a resounding success with record amounts of sales! It was so wonderful to see so many of you at sports day. As a result the school has been able to buy lots of fantastic books for our library. Thank you for your support.

Library Challenge

Have you been in to Wells Library yet to collect your summer challenge booklet? We are looking forward to seeing who will read enough books to be at the presentation morning at the library in September.

Celebration of Success Afternoon 2017

As you know this event will take place on Monday 10th July at APHS for years 1 to 6. Children will walk to APHS escorted by all staff for a 1.30pm start. The event will end at approximately 2.45pm allowing children to walk back to school with staff and be dismissed from there as normal.

Parents and other family members are welcome to attend. If you are coming please do not arrive before 1.15pm as the hall needs to be set up after lunch and will not be ready until this time.

Please note that APHS students are holding an event on the school field which parents of APHS students are also invited to. Parking is therefore extremely tight. If you can, please walk to APHS or park on Market Lane. Parents attending the APHS event will be directed to park at the rear of the school.

Thank you for your support.
