Celebration Assembly – Change of time

After half term, celebration assembly will move to the new time slot of **9am**, this is a permanent arrangement. If your child is to be awarded a certificate you are still very welcome to join us for the assembly at the new time. It will last approximately half an hour.

Arrival at School

We are extremely concerned about the growing number of children who are eating 'breakfast' as they enter the school premises in the morning. From Monday 4th June we request that **no food** is to be brought onto the school premises other than lunch boxes which must go straight to the canteen, and that no child should be eating or drinking on the school playground whilst waiting for the start of the school day. Thank you for your co-operation.

Parking

Please may we remind you that parents/ carers are **not allowed** to park in the staff car park, the gate to the staff car park will be closed from 8.30am onwards so please do not attempt to enter, thank you for your co-operation with this matter.

Driftwood Project

After half term the Wells Maltings trust will be leading the Driftwood project at school. The project is designed to teach the children about Wells in the past. The children will be taking part in history and art activities. Your child will be bringing home a detailed letter about the project with a half term activity that will be used as part of the final exhibition in the Maltings.

Reception Class trip to the Dinosaur Park

As a finale to their topic about Dinosaurs, Reception class had a super time on their trip to the Dinosaur Park on Thursday. The weather was good, the children enjoyed the dinosaur trail, looking for bones in the extinction zone and had some fun in the indoor and outdoor play areas.
