Cafés for All Training

The staff enjoyed the cafes for all training that we received last week. The staff have since met to discuss the way forward. The cafes will be called curiosity cafes in the future and will encompass a broader range of themes not always being a maths or story based café. There will continue to be six a year but one of these each term will be a whole school café. The first one of these will take place on Thursday 5th July from 1.15pm-3.15pm. This will be a transition café and will take place on one of the whole school transition days and will be delivered by your child's new class teacher in their new classroom. In September we will publish the dates for the cafes for all classes for the whole year.

Nursery Relaunch Event

It was fantastic to welcome so many families to the relaunch of our nursery, we had a brilliant turnout. We were very excited to showcase the new look of the Nursery and to inform all of the prospective new parents about the plans for September. We would like to thank Wells Deli and Morrison's in Fakenham for their support with this event.

Year 3 and 4 Singing at the Showground

Year 3 and Year 4 had the amazing experience of being part of a 9000 strong choir performing at the Norfolk Showground as part of The Big Sing 2018. They enjoyed fantastic weather and it was truly a day to remember. It was wonderful to have some family members joining us there. The children were a real credit to the school. Well done Year 3 and 4.

Keeping up with the children – English

We are hosting this course for 5 weeks starting on Thursday 7th June. This course is designed to support parents to familiarise themselves with modern English teaching methods currently being used in schools. You will discover ways to support your child's learning at home and develop your own English skills. If you would like to find out more or book your place speak to the Children's Centre office or visit www.norfolk.gov.uk/adult-learning or call 03448008020.

Outdoor play Equipment

Please can we ask that if your children are using the outdoor play equipment either before or after school, can you ensure that they are supervised at all times and that there are no more than 15 children using it at any time, many thanks for you co-operation.

Next Week

Have a lovely bank holiday weekend, we look forward to seeing the children back in school on Tuesday 8th May.
