

Wells Primary and Nursery School

Reception Class Newsletter 1st July

Dear Parents/ Carers,

Phew this week has flown past! It has been a busy one! We have started to learn about butterflies and caterpillars and we will continue with this theme next week.

We are really proud of all the children, as they did such a great job at our class assembly yesterday. We only practised for one hour on Wednesday and they all knew and remembered what to do and the readers read with such confidence! Thank you to all of the parents and relatives that came along to watch, it was great to have so many of you there!

Sports Day followed the morning assembly and again all the children took part with gusto and did a really great job, only having practised our races once on the track! Although lots of them complained we did not do the sack race and the monkey race, so it looks like we will have to have a go at those today.

I have completed writing all the reports for your children, these will come out on Tuesday 12th July. While writing the reports I have reflected on the year we have had and what a great class your children are part of. Every child has made great progress in their own way and matured and developed. They are all now readers and writers and their personalities have grown and developed. I look forward to watching them progress as they move through the school and I know they are going to really enjoy being in Year One.

On Monday it is our trip to Holkham. There are lots of great activities planned for a full day of fun in the woods! Please remember that your child does not need to wear school uniform, they need to wear long sleeves and long trousers and a hat/ raincoat depending on the weather. They will need to bring their own packed lunch or a school packed lunch and plenty of water please. If you are coming to help for the day and meeting us there, it is best to meet in the car park at the end nearest to the children's playground. We will need to walk to the camp area where we will be based for the day. We will return to school for the end of the day and you can collect your child from the classroom in the normal way.

Have a lovely weekend, see you next week!

Julia Norman - Reception Class Teacher/ Senior Teacher
