

Wells Primary and Nursery School Reception Class Newsletter 13<sup>th</sup> May 2016

Dear Parents/ Carers

This week we have read the story *Monsters Don't Eat Broccoli*. We have written about what it would be like to have a monster come for tea. We have talked about foods we like and foods we don't like and about the importance of trying new things. We have tasted different foods, some of which we had never had before and discussed if we liked them. We have looked at food which looks like monster food (rhubarb) and made a rhubarb crumble!! The children have continued to enjoy our new stage, there has been singing, dancing, acting and story telling! It has also brought some of our shy children out of their shells!

It was great that so many of you were able to make the transition evening this week, to find out all about your child's transition into Year One, a big thank you to all of you who came. Over the next half term we will be having lots of transition sessions and getting used to the idea of being in Year One. If you have any questions about your child's transition into Year One, please do come and ask one of us. The children are really proud of how independent they are becoming by coming into the classroom by themselves.

Our topic after half term will be minibeasts, we will be doing lots of bug hunting and learning about minibeasts. If your child has any stories featuring minibeasts we would be very grateful if they could bring them in.

Have a good weekend!

Julia Norman - Reception Class Teacher/ Senior Teacher
