

I hope you had a lovely Easter holiday- the children have certainly come back to Nursery full of ideas and ready to try new things.

I would like to welcome Jessica Craske to the Nursery Team, as well as three new children. I am always pleased how quickly new children are included in the older children's activities.

This half term our topic is "What happens to Jack's beans?" We will be reading different familiar stories each week, all with a gardening theme.

This week we have been looking at the story "Jack and the Beanstalk". I have been really impressed how well the children have been able to remember the important parts in the story and have all had great ideas about how to help Jack and his mother.

The children have been printing their own beanstalks and clearing the weeds in the vegetable garden ready for planting beans. Number work has also revolved around our beanstalk theme.

We will be starting our Wednesday lunch club next week. If you would like your child to stay, in preparation for September, we will be taking the children to the School Canteen for lunch and bring them back to the Nursery School in time for collection at 12-30. Children can have a school dinner or bring their own packed lunch. School dinners will cost £2-20. Please could you let Mrs Frary in the canteen know if your child would like one.

Diary dates

Mrs Norman will be holding a new to Reception Class Parents Information Evening on May 10th, starting at 6pm.

Our next Story Café will be on May 11th, from 11-12noon in the Nursery School.

On 28th June we will be meeting at Gressenhall Farm, 10am to 2pm for an activity day, "Once Upon a Time". We will let you know more about it nearer the time. (Children will be encouraged to wear fairytale character costumes that day!)

Juliet Hardy and Jess Craske (Nursery Team)
