

Wells-next-the-Sea Nursery School Newsletter Autumn Term - Week 1 and 2,  
Thank you for inviting us into your homes last week. Miss Craske and I loved chatting to you all.

We have been really pleased with the way the children have all settled in to our Nursery School. They have all been getting on so well together. We also hope your children are enjoying the new extended hours, lunchtime is definitely proving to be a success.

Our topic this half term is "How do I get about?" The children have certainly enjoyed getting about the Nursery!  
A special thank you to Harpers Daddy for getting us our new chickens, Fluffball and Titch.  
Juliet Hardy, Jess Craske and Naomi Tottle (Nursery Team).
