

Wells-next-the-Sea Nursery School Newsletter Spring Term 2018 - Week 1 and 2  
We hope you had a lovely Christmas holiday and are ready for the Spring Term. Our new children have settled in very quickly, helped by our older children who have taken them under their wings with ease.

This term our topic is "The stars, the moon and aliens!"  
We started by thinking about the night and bedtime routines finishing the week with a bedtime stories morning. The children enjoyed coming to school in their pyjamas and hearing lots of bedtime stories (the hot chocolate and biscuits also went down well!)

The hunt for stars in the gloopy blue "sky" proved very popular, as did the other messy play experiments outside!

Our lunch club is becoming increasingly popular. The children find it very sociable and it's a nice time for us to sit down and eat as a group. The children eat the same dishes as the rest of the school.

Please could I ask that your child brings in healthy snacks, no crisps.

Juliet Hardy, Jess Craske and Naomi Tottle (Nursery Team).
