

The children have been counting the sleeps until our trip to the Dinosaur Park this Friday! They have really enjoyed "Harry and his bucketful of dinosaurs" and have been creating dinosaur habitats all around the Nursery.

The frogspawn has been changing daily. We now have lots of tiny tadpoles swimming around.

I have also been really impressed with the children's painting skills this week. They have all made really beautiful observational paintings of flowers for their Mothers' Day cards.

Next week we will be having our last Maths Café of the term on Thursday 30th, from 11am until 12noon. Please could you collect any boxes or cartons so that we can use them for junk modelling during the Café?

We hope everyone has a great time at the Dinosaur Park!

Juliet Hardy and Simon Scillitoe (Nursery Team)
