

This week we have been looking for signs of spring. Our frogspawn has hatched and tiny tadpoles are wriggling around our tank. We started clearing the weeds in our Garden Area and made Easter cards.

I would like to say a big thank you to all who came to the Dinosaur Park last Friday. We had a great day out- weren't the children brave on the big slide!

Thank you also for coming to our Maths Café. I could hear lots of maths language as I walked around the tables.

Term will start again on Tuesday 18th, April.

We will be trialling a lunchtime club on Wednesdays next term. Children can either bring a packed lunch or have a school dinner and will need picking up at 12-30pm. We hope it will help the children in their transition to Reception Class.

Finally, can I say a very big thank you to Simon Scillitoe for all his hard work over the last few weeks.

Juliet Hardy and Simon Scillitoe (Nursery Team)
