

Wells-next-the-Sea Nursery School Newsletter Summer Term 2016 - Week 12  
What an adventure we had on Monday, exploring the woodland area at Holkham Park.  
The children were quick to make the most of the play equipment too when we first arrived!

We walked to the Woodland Camp as part of our daily mile and started with some songs around the camp fire. The children then collected natural things to make minibeast "pictures."

Then, just before our picnic lunch we made mud monsters and sat them on a tree trunk to watch over the campsite!

Thank you to all who came to help!

We have also been enjoying meeting our new children during our transition mornings.  
Juliet Hardy, Cat Cameron and Andia Scillitoe (Nursery Team)
