

We have had another lovely week. Our new children are finding out where everything is kept around the Nursery School and our older children have been discovering new resources. The children have quickly accepted our class rules and need very little reminding of expectations. Here they are sitting together waiting for a well-deserved drink and a biscuit on a very sunny day. In the other photos they help each other to tidy.

This week, as part of our topic work, we have been thinking about how we get to school. Most of the children have told us they ride their bikes or come by car. Here we are finding different ways to move around the Nursery School.

We have also been really pleased with the amount of mark making the children have chosen to do.

Please could I remind you to send in a photo for us to show how your child comes to school for our wall display.

Juliet Hardy and Cat Cameron (Nursery Team).
