

Wells-next-the-Sea Nursery School Newsletter Summer Term 2017 - Week 2
The children have been very busy this week identifying and comparing flowers.
We have used the flower theme in all areas of learning, counting and comparing sets of...

being creative with paper flowers, painting....

going on a flower hunt....

and making lovely flower scented potions.

Lunch Club on Wednesday was a great success. We were very proud how well everyone ate.

Juliet Hardy and Jess Craske (Nursery Team).
