

Wells-next-the-Sea Nursery School Newsletter Autumn Term 2016 - Week 5

This week we have been thinking about two different forms of transport, trains and cars. We have read some of the "Thomas the Tank Engine" stories and watched "Roary the Racing Car". The children came up with lots of clever answers when we asked if Thomas could travel along the road and Roary on the train track!

Here they are exploring the way the vehicles move on different surfaces.

The children have also been very creative this week

They are a very cooperative group of children, always willing to help and work with each other.

Juliet Hardy and Cat Cameron (Nursery Team).
