

Wells-next-the-Sea Nursery School Newsletter Spring Term 2018 - Week 6

This week we finished our topic about "The moon, stars and aliens!" with the story "Aliens like underpants!" The children thought it was a great story! We all drew aliens and thought about their names, what they might like to eat and what games they might play!

We were lucky to have some snow to play in earlier this week. We all wrapped up warm and went outside with the Reception Class to make snowballs. The grownups were a great target!

The Nursery Classroom is being redecorated during half term, with new flooring being put down the week after. Please bring your child to the Reception Class first thing in the morning during that week. The door will open when the bell goes at 8-50am.

Our Lunch Club is becoming more and more popular. Please remember to book your child's dinner with Mrs Cox at the beginning of their week.

Juliet Hardy, Jess Craske and Naomi Tottle (Nursery Team)
