

Wells-next-the-Sea Nursery School Newsletter Spring Term 2017 - Week 7
This half term our topic is "Who are the famous animals in my books?"
We started by revisiting "Dear Zoo!" deciding what to look for in a pet. Then we heard the story of "Meg and the V.E.T". Poor Meg had to visit the vet after she hurt her paw.

The children had great fun printing paw prints and painted some lovely Mog pictures.

As Mog had visited the vet we decided to make a Veterinary Surgery in our role-play area.

Teamwork continues to be a great part of our child initiated learning.

Please come and spend some time in the Nursery next week and see your child's progress.
Juliet Hardy and Jenny Savoury (Nursery Team).
