

The children have all come back full of enthusiasm and energy after their half term holiday. Mrs Hems has been working with us this week and has been very impressed. She is looking forward to working with them next term in our Reception Class.

This half term our topic is "How many nursery rhymes do I know?" We have started by looking at the text "Each, Peach, Pear, Plum". The children found it quite hard to find some of the characters in the story as they were well hidden, but all found the Three Bears. We made porridge just like the Bears, trying out lots of different toppings- the golden syrup and the blackcurrant jam were clear favourites!

The children continue to keep an eye on the plants we are growing. We did have some difficulties with the watering can. We found a frog hiding in the spout blocking the water flow! A pigeon was eating our currants so we have covered them with a net.

We had a great time on Transition Day exploring the Reception Classroom. Thank you Mrs Beck!

Next Thursday, 15th June, we will be having a Maths Café in the Nursery School from 11am until 12noon.

We will also be extending our Lunch Club to Fridays too. Mrs Frary will need to know on Friday mornings if your child would like pizza or fish fingers.

Juliet Hardy, Nicki Hems and Jess Craske (Nursery Team)
