

The children did enjoy making their spider biscuits and hats on Monday for Halloween. They were very sticky, but most had the right number of legs!

We have started our topic on sound. The children have really enjoyed experimenting with our musical instruments and playing listening games

We have also been making the most of this cold, bright autumn weather. The children have loved being outside. Here, we had spent most of the morning collecting the leaves in a big pile only for the children to throw them back! The wheelbarrows were then upturned and became motorbikes taking the children to the shops!
