

Wells-next-the-Sea Nursery School Newsletter Autumn Term 2017 - Week 8

Everyone seems to have had a great half term holiday and come back ready to learn. Thank you to all who made fir-cone Christmas decorations for Fakenham Tree Festival.

This half term our topic is "Which colours make us happy or sad? The children have been telling us which are their favourite colours.

We started by looking at all the different autumn colours on our plants. We then moved on to being creative with colour!

Halloween was great fun! We drew scary faces on some pumpkins, caught spiders in a giant spider web and checked if the eyeballs in the water tray floated or sank!

We all tried drawing to music. The song was very funny and gave us clues as to the patterns we should make. Splatter painting and water play have also been very popular!

We look forward to seeing everyone next week to look at how much progress your child has made during the last half term. Please pop in either Monday, Tuesday, Wednesday or Friday morning.

Don't forget to let Mrs Cox know if your child wants a school dinner. The children are really enjoying the yummy lunches. It is lovely to have Miss Tottle back.

Miss Craske has asked for children to bring in yoghurt pots next week as she would like to make bird feeders with them.
