

Wells-next-the-Sea Nursery School Newsletter Autumn Term 2017 - Week 9

This week we have been thinking about Bonfire Night and the bright colours we saw last weekend. We built our own rockets, they were all different shapes and sizes.

The children also helped Miss Craske to make food for the birds now that the weather has turned cooler. Some of the children didn't like the slimy feel of the lard as they mixed it with our bird seed and sunflower seeds, but others loved it! The mixture was then pressed into yoghurt pots.

The children then had to think of suitable places to hang their bird feeders. Leftover food was given to our two very happy chickens!

We have also enjoyed using Numicon. We have been counting the holes and matching the shapes and sizes.

Juliet Hardy, Jess Craske and Naomi Tottle (Nursery Team.)
