

Wells-next-the-Sea Nursery School Newsletter Summer Term 2017 - Week 9

What a hot week it's been! It's given us the perfect excuse to get out the paddling pool, washing up water, water chute and watering cans and keep cool!

We have also talked about how to keep safe in the sun. The children have been very good at wearing their hats, keeping in the shade as much as possible and drinking lots of water.

We released the last of our tadpoles and hoppers into the pond, watching them swim away.

The children really enjoyed their transition Story Café with Mrs Norman and Mrs Beck. Mrs Norman read us the story of "Jasper's Beanstalk" and then we enjoyed lots of different activities.

Next week we have our Sports Day on Monday. Our races will start at 11am. On Wednesday, we will meet at Gressenhall Farm at 10am for our Class Visit.

Juliet Hardy and Jess Craske (Nursery Team)
