

Dear Parents and Carers,

We have come to the end of another term! It has gone very quickly and your children are now two thirds of their way through their Reception Year! What a busy term we have had, the children have really enjoyed their learning this term and have made great progress.

This week we have been learning about the celebration of Easter. We have read the Easter story, made our Easter cards, painted pictures of daffodils and had an Easter Egg hunt as well!

Last Friday we had a great day at the Dinosaur Park, the weather was not at its best but this did not stop us enjoying the day. The children especially liked going on the dinosaur trail to find all the different dinosaurs and pretending to be explorers and dig for dinosaur bones. A big thank you to our parent helpers who joined us for the day, we could not have done it without you! Here are a few pictures of our day.....

After the Easter holidays our

Topic is called Living on an Island. Our questions for the term will be; do monsters really exist? Are all mini beasts scary? If your child has any books or stories about monsters please can they bring them in after the holidays as we will be starting with our monsters topic.

Alongside the homework we are sending home today, please can you continue to support your children to practice their phonics, tricky words and if they have a reading book they need to read to you every day. Doing these things regularly really help and develop your child's learning and support them to make good progress.

Have a great Easter!

Julia Norman – Reception Class Teacher and Senior Teacher
