Newsletter

25th February 2016

A big thank you to all children, parents and staff for a fantastic welcome back into work this week. Your kind comments and good wishes meant so much to me. I shall be back on a part time basis until Easter and back in full time for the summer term. I have been very pleased to see how the children are growing and developing, they have been so keen to show me their work and progress. I am also delighted to have Mrs Pigney sharing the task of Special Educational Needs Co-ordinator, this is an enormous benefit for our school. I shall be working in close partnership with Mrs Norman, the Senior Leadership team, governors and now we are a federation with Mrs Stroulger, the Head Teacher at Burnham Market Primary School. As always please come and chat to me, my door is open and I value our partnership in your child's learning.

Kind Regards – Janet Lavender Associate Headteacher/Senco

Year 6

Lots of children returned this week having managed to succeed in their challenge of reading a whole book over the holidays - well done and keep it up!

The children have come back showing a great approach to their learning. We will continue to study the Mayans this half term and will be continuing with our investigations into light and the eye.

Year 5

Many thanks to all the parents who attended our reading Café this week. It was lovely to have you joining in our learning.

We started our work on the school garden this week also. If anyone has any seeds, plants or planters that you can donate to us, they would be most welcome.

Year 4

Next week year 4 will be trying to answer the following questions; What is the Magna Carta, and why is it so important even today?

Why are rivers important for the lives of the people who live there now and lived there some time ago? How have people adapted rivers and water for their own use?

Year 3 is busy rehearsing for our assembly on Thursday morning. We have started a new Topic – 'The Human Body'.

Our first focus is the five food groups Yum!

Year 2

We have been looking at nouns, verbs, adjectives and adverbs and putting them into sentences. We are going to devise experiments to test if different materials are waterproof.

Year 1

This half term Year 1 are learning about fairy tales. We worked together to make our own fairy tale in the role-play area.

Bug Busting Please may I request that you be vigilant regarding Head -lice, we have had several reported cases.

Holiday Dates:-
