12th May 2016

We have had another super week in school. I have seen some fantastic writing and calculations and love the children coming to show me what they have achieved in their learning. All our clubs are running successfully, please see Miss Dowler if your child might like to attend one. We have ordered some interesting new home school readers to ensure our students are motivated to read at home. Thank you for all the help you give us in supporting homework, reading and spellings, just 10 minutes a night has a huge impact. Don't forget as the weather becomes warmer to ensure you put sunblock on your child before school and they have a named sunhat with them. Children still need to wear school socks in the warm weather. Today you will be receiving an important letter from the governors, if you have any questions about it please see myself, Mr Ogle or Mr McGill. Have a great weekend.

Mrs Lavender

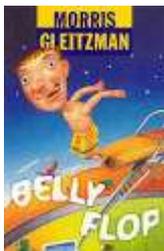

Year 6

We are so very proud of our Y6 pupils this week. They have made a superb effort in tackling their SATs tests. If marks were given for positive thinking, resilience and good humour, they would all score 100%. Have a good weekend all of you and thank you. You are all stars.

Year 5

Year 5 are busy reading Morris Gleitzman books in preparation for our visit to Reepham School on Tuesday to meet the author, please note we will be leaving at **8.30 prompt**. We are all really looking forward to asking him about his work. Our first impressions of the books are that they are really funny so we would recommend them to everyone.

Year 4

This week Year 4 will be trying to make a documentary about a British animal of our choice. This will be written in our Literacy and perfected in our Topic lessons. We will be looking at rounding large numbers and decimals in Maths, including monetary amounts. Please take the opportunity this week to talk about The Invictus Games.

Year 3

Last week the children were asked to think about making an advert for a toy and they had great fun showing them off to the rest of the class. It was lovely to see how enthusiastically they approached this and to notice all the good ideas they used to persuade people to buy their products. A reminder for everybody that next week, on Wednesday 18th May, we are going to go to Salle for the day, which should be really good fun. Cross your fingers for us and hope that the weather is kind!

Year 2

Next week Year 2 children will be doing some of their SAT's tests. Unlike the Year 6 SAT's the results of the tests are purely to be used as evidence for Teacher Assessment. We are doing a test on each of the following days:- Tuesday 17th May, Wednesday 18th May, Tuesday 24th May and Wednesday 25th May. Starting just after 8.00 your child will be offered breakfast on these days.

We are remaining relaxed about them, but please make sure your child has plenty of sleep on the nights before.

Newsletter

12th May 2016

On Thursday 19th May we are going to Africa Alive. Please don't forget a sunhat, sun screen, a waterproof coat and a packed lunch. The weather could be quite different in Lowestoft to what it would be like here.

Year 1

This week Year 1 have been working hard on descriptive writing. We designed our own island and wrote about what you would find there. Some of us even used a thesaurus to find exciting adjectives.

Nursery

Nursery School really enjoyed visiting Wells Library. We helped to tell the story of the Hungry Dinosaur using puppets.
