## Newsletter 21<sup>st</sup> January 2016

**Gentle reminder** PE Kit is required in school every day please. Please remember to name it also. Our PE Kit consists of White Tee-shirt, navy shorts and plimsolls, Navy/blue tracksuit and outdoor trainers to change into. PE Kit is not a fashion item but a necessary piece of kit for everyday use. Thank you for your co-operation and support in this.

**Clubs** Our clubs have started again this term. We are fortunate in being able to offer such a varied array of activities. Our ever popular Street dance will start on the 27<sup>th</sup> January, places are still available for this club. Please see Miss Dowler if you are interested.

**Attendance** Each week at the Awards Assembly on a Friday afternoon we celebrate the success of the class with the highest attendance for the week. Last week Year 3 were awarded this. Attendance Monkey, suitably dressed in school uniform, joins that winning class. We are still receiving some children after the bell at 8.50am. Please be aware that this can be most uncomfortable for your child to have to walk into class late.

**Yoga** classes for Reception, year 1 and year 2 children will start after the February half term.

**Year 4** In the next week Year 4 will be looking at why the Romans built forts? We will also be looking at cities and how tall skyscrapers are built! Can I remind people to make sure Learning Logs are completed and in school on Thursdays. Please remember to bring back permission slips if you have been invited to Holkham Hall on the 8th of February.

**O2 - Young Voices** - Years 5 & 6 will be singing at the O2 on Monday evening. We are all very excited to be travelling to London for this event. Year 5 & 6 please remember pack ups and your special Tee-shirt. Keep practicing those songs!!

**Parking** Thank you to all those parents and other family members who have responded to my request not to drive into the school carpark. Unfortunately a minority of people are ignoring this request. The additional congestion in the carpark and on the road because of cars turning into the carpark creates additional safety risks.
