

Hello Everyone,

We have had a great week in Reception class. The children have thoroughly enjoyed the story of The Bog Baby. We have read the story, written our own story based on the bog baby and we have drawn pictures of bog baby in our sketch books. We have made bog baby recipes in the mud kitchen outside and made our own bog babies using salt dough. In the woodland this week the children have made bogs for bog baby and outside lots of the children made traps to catch bog baby in the construction area. This week's homework is also based around the story of bog baby.

We still have a number of children who have not got their PE kit in school and some children who do not have any wellies in school either. Please can you make sure that your child has a pair of wellies and their PE kit in school. Thank you to those parents who have sent their children in with a pair of trainers in preparation for doing PE outside this term.

We have lots of children who enjoy using our make and do to create and make things. If you have any food packaging such as small cardboard boxes, yoghurt pots etc please can you save them, clean them and bring them in for the children to use, thank you.

Please don't forget the meeting for parents on Tuesday 10<sup>th</sup> May at 6.30pm, this is your opportunity to come and find out about your child's transition into year one and will be held in the year one classroom.

Well done to all the children who have started to come into the classroom by themselves, they are becoming very confident and independent which is great preparation for year one!

As the weather is warming up, please make sure your child brings a hat to school and that you put sun cream on them before school. Thank you!

Have a lovely weekend, enjoy the sunshine!

Julia Norman - Reception Class Teacher/ Senior Teacher
